UNIQUE KARKI

Computer Science Student

PERSONAL BACKGROUND

I am a senior majoring in computer science at Kathmandu University. I am interested in Artificial Intelligence, Data Science, and Web Development. The programming languages that I prefer are Python, C, and C++.

I am also a music enthusiast and I play various musical instruments such as guitar, madal, harmonium, and ukulele. The sports of my interest are as follows: basketball, football and swimming.

ACHIEVEMENTS

- Participated in coding tournament conducted during IT MEET-2018 by Kathmandu University Computer Club.
- Secured second position in Interdepartmental Basketball Tournament 2018.
- Secured third position in School Mela Band Contest 2017 organized by St. Xavier's School.
- Secured First and Second position in +2 talent show during high school.
- Secured first position in Interact Charity Talent show organized by Interact Club.

WORK EXPERIENCE

Executive Committee Member

Kathmandu University Computer Club | Jun 2019- Sept 2020

- Managed day-to-day activities for the department.
- Managed various workshops for python, machine learning, and data science.

Volunteer

- Coding challenge (Kathmandu University 2018).
- Inter-house competitions (St. Xavier's School 2016-2017).

EDUCATION

Kathmandu University

Bachelor's degree in Computer Science, expected to graduate in 2021

St. Xavier's School, Jawalakhel

High school, Graduated in 2017

St. Xavier's School, Jawalakhel

SLC, Graduated in 2015

COURSES

Coursera

Some of the courses that I took are as follows;

- Machine Learning offered by Stanford University.
- Data Analysis with Python offered by IBM.
- Data Visualization with Python offered by IBM.
- Databases and SQL for Data Science offered by IBM.
- Using Python to Access Web Data offered by the University of Michigan.

Nepal Music Center

2010 - 2011

- Formal guitar training.
